Brother Knights,

**Re: SASKATCHEWAN DISASTER RELIEF**

The Knights of Columbus Charitable Foundation approved a Disaster Relief Policy at our Annual Meeting in Saskatoon earlier this year. This Policy was designed to provide a process for the Saskatchewan Knights of Columbus to pool and distribute donations allocated specifically for disaster victims.

There have been a number of areas within our province that have experienced severe losses due to flooding and wind damage over the past number of weeks. Many individuals had extensive damage to their homes and other personal property resulting in significant personal expense, anxiety and stress.

The Foundation would like to work together with our Councils in providing needed financial assistance for these distressed families. We would appreciate your assistance and participation in promoting the need for donations within your membership and communities. We would ask that Councils also assist in determining worthy recipients for these donated funds.

**A. DONATIONS**

Donations will be accepted through the Saskatchewan Knights of Columbus Charitable Foundation office. All donors will immediately receive a receipt for tax purposes for the full amount of their donation. Cheques should be made payable to Sk. Knights of Columbus Charitable Foundation. Also, please attach a note indicating Sask. Disaster Relief together with your Council Name and Number for our records. Donations are to be mailed to:

Knights of Columbus Charitable Foundation  
214 Avenue M South  
Saskatoon, Saskatchewan S7M 2K4

**B. DISTRIBUTION**

The Foundation Board of Directors would appreciate assistance in identifying individuals that are in need of financial assistance as a result of the recent natural disasters within the province. We would encourage Councils to provide us with a request for consideration. This request should be mailed or e-mailed to our Charitable Foundation Office with the following information:

Council Name & Number

Contact Person & Phone Number

The Committee will follow up with each contact to gather additional information and share distribution criteria. It is our objective to ensure that funding received is distributed in partnership with our Councils.

We thank you in advance for your participation and support. It is our hope that together we can truly exemplify the lesson the Charity as we assist others in their time of need.

Fraternally yours,

Harvey Granatier, Chair  
K of C Charitable Foundation

Father Tony Dizy, Chaplain
