My Brother Knights,

We are trying to convince more cable providers to carry Salt & Light (S & L) TV, the only National Catholic TV Channel in Canada. In order to do this, we are asking all Knights who currently subscribe to Access cable, Shaw cable or Sasktel Max to write to their provider and request them to make S & L available.

Attached are three suggested letters, one for each of the three main providers in Saskatchewan that do not carry S & L TV. Please use the letter for your provider as a start point and feel free to change the words to suit yourself. By changing the wording it will make it look less like a letter writing campaign.

The date within the letters is set to update automatically from your computer. You can simply change the letter where it indicates by inserting your name, address, etc., print it out, sign it and send it to your provider at the addresses provided. The addresses are for the head office of each of the providers.

I would like to wish you all a very Merry Christmas and a Happy New Year.

Vivat Jesus
